## DIRECTING TEAM NOTES

Welcome to Middle School SPA 2016! The program we are presenting tonight is designed to not be a high-pressure, full-length production. Rather, the songs, dances and drama scenes you will see tonight are a reflection and example of the three weeks of performing arts education we provide.

In the Middle School SPA program, we focus on the process of teaching performing skills, rather than the formal, final product. We are very proud of the progress these students have achieved, and hope you enjoy this brief glimpse into the techniques they've learned.

Thanks you for supporting these young student-performers. We hope you enjoy what they've prepared for you.
